1. Attached for your information and disposition is ZIPPER Weekly Report Number 4 on the Otto JOHN case.

2. Attachment contains a report said to originate the middle of August 1954 from Frank LINDER. We have previously mentioned LINDER in SPILL-6159, and he was also mentioned in ZIPPER's first Weekly Report. If the report is true that LINDER disappeared at about the same time as JOHN, then he had obviously returned by mid-August, according to attachment. LINDER, whose address and telephone number were listed in SPILL-6159, would seem to be a good candidate for interview on the JOHN case, in the event that we have any access to him.

3. It is obvious that ZIPPER has turned to Reichtsmann's brother STEPH, residing Hamburg/Pullach, as Hasenberg 37/L, for several items on the Otto JOHN case, but their reason for doing so is unclear. Have you any traces of STEPH?
